ABOUT ME

I am Harsh Farwaha, a B.Tech graduate in Electronics and Communication Engineering from Rayat Bahra University, with a strong academic foundation and hands-on experience in electronics, circuit design, automation, testing, and system integration. Through academic and practical projects, I have developed strong problem-solving, analytical, and debugging skills, along with a keen attention to detail.

As a fresher, I am eager to begin my professional career in a challenging and growth-oriented environment where I can apply my technical knowledge, contribute effectively to testing and engineering processes, and continuously enhance my expertise in electronics and embedded systems.
